MISSION 6 REMIX LOG

Pre-Mission Preparation

How would you describe Mission 6 to your friends?

What was challenging about Mission 6?

Remix Step 1: Review your code from Mission 6

Mission 6: Heartbeat What does this program do?

What programming concepts and skills did you learn and use?

Remix Step 2: Describe what your remix project will do:

Remix Step 3: Plan your code. What variables will you use in the project?

You do not need to fill out every line if you don't need that many variables.

Variable Name	What it will be used for

Images/Pixels to use	What it will be used for

Button	What it will be programmed to do:

Remix Step 4: Write your code.

Use the sandbox  when you write the code. Write just a few lines at a time and test often.

Remix Step 5:

Peer Feedback Form

Name of student completing the form: _____

What do you like about the program -- be specific:

Give at least one suggestion. Begin with "What if..." or "Maybe you could..."

Programmer feedback form

What do you like about the program -- be specific:

(continued on back)

What do you want to improve, change or add?

Post-Mission Reflection

What did you change in your project after reading the feedback?

What do you like about creating a remix project?

Why is it good for you to create a remix project?
